

## Mission

The Guild of Sister Annella Zervas, OSB, exists to perpetuate the memory of Sister Annella by sharing her inspiring life with the people of God. We are committed to promoting knowledge of her life through the preservation and archiving of her story, fostering increased prayer for the faithful to live lives of holiness, and offering vital support to the Postulator. Through our fundraising efforts, we work to advance the canonical inquiry into her life, presenting her cause to the Holy See for consideration toward beatification and canonization.

“Sister Annella was one of us, born and raised in Moorhead (Minnesota) and dying in Saint Joseph’s parish, and she can serve as a great example. [...] May her life inspire us to embrace our own unique callings, along with the suffering we encounter, with the same trust and surrender to God's loving plan.”

— Most Reverend Andrew H. Cozzens, S.T.D., D.D.,  
Bishop of Crookston
